

Technical Data Sheet

VARYBOND MULT-PROTECTOR

Art.-No. VB16

Colour:	yellowish
Specific gravity (20° C): [g/cm ³]	0,81
Odour:	characteristic, mild
Boiling range of the solvents: [° C]	180 - 210
Temperature range: [° C]	-40 – +150
Viscosity oil (40° C): [mm ² /s]	30-35 mm ² /s
Corrosion protection:	up to 500 h salt spray resistant
Lubrication property:	up to 790 kg (Falex)

VARYBOND MULTI-PROTECTOR is a multifunctional product for all electronic and mechanical equipment in workshops and in the industry. It forms a clear invisible film and is harmless to plastic, rubber and paint. Special inhibitors guarantee excellent corrosion protection and lubrication. **VARYBOND MULTI-PROTECTOR** displaces moisture, eliminates short circuits, starts wet engines, and ensures long-lasting operational liability.

Application

Electrical/Mechanical equipment

Ignition systems, lighting systems, electronic motor car equipment, carburetors, screws, locks, seat rails, pedals, etc.

Workshop/Industry

Electrical or mechanical precision instruments, tools, metal parts, relays, switches, electronic equipment, etc.

Hobby, House, Garden, Do-it-yourself

Lawn mowers, boat engines, bicycles, electric appliances, arms, typewriters, roller skates, sliding doors, hinges, etc.

Directions

Spray on part to be treated. For accurate work use attached extension tube. Through high capillary attraction, product also acts at places of difficult access. To guarantee full lubricating and corrosion protection repeat the procedure from time to time.

Note: Although the information and recommendations set forth herein are presented in good faith and believed to be correct as of the date hereof, ITW makes no representation as to the completeness or accuracy thereof. Information is supplied upon the conditions that the persons receiving the same will make their own as to its safety and suitability for their purpose prior to use. In no event will ITW be responsible for damages of any nature whatsoever resulting from the use of or reliance upon information.
